Forming LNC Regions

Use the *Members* column of the table to form representative regions for the Libertarian National Committee. One LNC representative is authorized for each 10% of party membership: 1551 members for a Single Region (10% of 15506) and 3101 members for a Double Region (20% of 15506). **The region formation period opens April 2 and closes at 5pm PST on July 2.** State chairs should report newly formed regions to the National Secretary, Bob Sullentrup. Prior to the convention, e-mail him at rwsully@charter.net. **It's never too early to start informally forming regions.** Don't put it off until the last minute.
